Fundraising Lollipop

## Sugar-Free <sup>plus</sup> Lollipops

Ozark Delight<sup>®</sup> Candy Company is pleased to introduce the Sugar-Free <sup>plus</sup> Lollipop. For years, candy fundraising has been the number one moneymaker in many schools. Due to recent restrictions, some schools are looking for healthier alternatives. The new Sugar-Free <sup>plus</sup> Lollipops are sugar-free, *plus* high in fiber, *plus* fat free, *plus* 100% Vitamin C, *plus* reduced calorie, *plus* they taste great.

### Quality

Whether you are fundraising with the Ozark Delight<sup>®</sup> Original or the new Sugar-Free <sup>plus</sup> Lollipops, only the finest quality ingredients are used. Each batch of candy is closely monitored to maintain our high standard of production. Our lollipops are produced the "old fashioned way", in small batches, this ensures flavor intensity all the way to the last lick. Mass-produced, machine made lollipops are simply inferior and your customers can "Taste the Difference".
